**The veiled female protester [redacted] stripped and kicked by Egyptian police talks about her [redacted] ordeal. I had to upload the interview in Arabic until a translated version is available. One can't imagine how savage the Egyptian police has turned to be. [jcomments on] The original tape recording her torture published on AlArabiya net/English**

The young man who tried to rescue her, is a Christian Copt, his name is Ehab Hanna Ashaya. He was beaten badly and shot in his knee. Here is a video of him telling his story.
